“Due to changes in corporate hiring strategy in the Albany area, we found ourselves as the only independent organization still holding in-person job fairs in the region,” said Darcy Knapp,

The Albany Job Fair has four dates scheduled for in person fairs this year starting with April 19. The newest date, just added, will be June 7 and the following two job fairs are July 12 and October 4, 2023. All events are to be hosted by The Holiday Inn Express & Conference Center in Latham, GPS address 400 Old Loudon Road Latham NY 12110. All Albany Job Fair events run from 9 am to 4 pm and feature over 95 recruiters. Many recruiters are interviewing on site and

making same day hiring offers. Candidates can talk to recruiters from across the area, many hiring for both local and region positions.

“Many of our recruiters will literally interview and hire on the spot,” said Knapp, noting the current job candidate situation in the Capital Region. The events also features [resume](#) distribution to all recruiters. Applicants can email a resume in prior to the event, or leave one at registration as they enter, and all collected resumes are scanned and forwarded to all recruiters. “We usually distribute over 2,000 resumes to every recruiting company at every fair,” said Knapp. “This event is the only in-person job fair that facilitates resume distribution for all job seekers, whether they attend in person or not.”

The fairs have proven so popular, averaging 700 to 1,000 job seekers attending each event. The feedback from recruiters has been extremely positive to the point that the Albany Job Fair sells out months in advance. The increase in recruiter demand created the need to add the additional June date to the 2023 schedule.
