At VIZIBILITY we are committed to help financial professionals to understand and manage successfully structured investments. We are a business-data-driven company, so we are agile to the market needs.

About Banco de Sabadell, S.A., Miami Branch

Banco Sabadell is a Spanish bank established in 1881. It is the fourth-largest banking group in

Spain and has over 20,000 employees worldwide.

It has operated a full international branch in the United States since 1993, when it established its office in Miami, Florida. The bank offers corporate banking services to international companies in the Americas market, as well as international private banking services primarily to Latin American high-net-worth individuals seeking personalized financial guidance.

Its business model is based on a close and strategic relationship with its customers, resulting in client-loyalty and long-term customer retention. This, along with the permanent orientation towards the search for performance, quality and innovation, enables Banco Sabadell, Miami Branch to be highly regarded in the Americas banking world.

About VIZIBILITY

VIZIBILITY was designed by experts for experts to bring all phases of the Structured Product trade cycle under one umbrella.

VIZIBILITY is for anyone who wants to improve the management of their daily workflow and have more time for value-added activity. We provide a centralized workflow across all roles, including portfolio managers, advisors, private banks, custodians & private investors.

Our multi-issuer platform covers 99% of SP market needs and provides effective price comparisons, streamlined operations, scalability, transparency, and powerful reporting.

We are part of Capital Vision Group, an independent financial engineering company based in Geneva, Switzerland.
