

Office 365 Backup Tool upgraded version of Shoviv Software

This press release is distributed to inform users about upgraded version of Office 365 Backup Tool by Shoviv that can securely take a backup of Office 365 data.

DEHRADUN, UTTARAKHAND, INDIA, February 16, 2023 /EINPresswire.com/ -- Shoviv software has updated [Office 365 Backup](#) and Restore Tool to make it more advanced. This updated version offers an incremental export option in order to prevent data duplicity. Using this option, users also resume the [Office 365 mailbox backup](#)

task if it gets paused. Apart from this, Shoviv Office 365 Backup and Restore Tool provides many features that users can easily back up Microsoft 365 data. Let's discuss some additional features of the Shoviv Office 365 Backup and Restore Tool.

Office 365 Backup and Restore Tool

Advanced features of this backup software

- No restrictions on adding multiple Office 365 mailboxes.
- Keeps the originality of the folder hierarchy and integrity of data.
- Provides a simple user interface to understand it easily.
- Quickly searches for the desired items.
- Filter option to select the needed items for backup.
- Offers various file formats to back up Office 365 emails, such as PST, HTML, MBOX, EML, etc.
- A backup/restore job Scheduler is also available to schedule the Office 365 mailbox backup task.

Some more facilities that an organization or individual user demands in software:

Capability to handle multiple jobs: The capability of this software to run numerous jobs at a time helps save maximum time. Moreover, the speed of the process remains the same even after running numerous jobs.

Smooth user interface: This tool's smooth user interface makes it easy for all users. Even users who lack technical knowledge can process the Office 365 mailbox backup process without any difficulty.

Accurate and quick results: Talk about the accuracy; it processes the backup of Microsoft 365 data without compromising a single item. It is able to make the backup of data in the blink of an eye.
