Founded in 1989, Choate Construction strives to lead the industry in financially viable and functional construction solutions. By investing in tools to promote advances in safety, virtual construction, sustainable construction, preconstruction, and risk mitigation, Choate remains at the forefront of industry standards.

“

We are very excited to get to know and serve the partners of the Georgia Manufacturing Alliance”

Croswell Brim, Director of Operations

As one of the largest general contractors in the Southeast, Choate considers our reputation our number one asset, with future success founded upon the strength of our

client relationships and our employees. Choate excels in both base and interior construction with office locations in Atlanta, Charleston, Charlotte, Nashville, Raleigh, and Savannah.

“We are committed to giving our clients a streamlined, reliable manufacturing facility. One that promotes logistical, operational, and energy efficiencies; maximizes productive capacity; and ultimately, allowing our clients to do what they do best. We enjoy the collaboration that GMA provides us through hosting plant tours and networking events. This is the most active and innovative manufacturing organization we’ve been a part of to date.” Said Croswell Brim, Director of Operations. “We are very excited to get to know and serve the partners of the Georgia

Manufacturing Alliance.”

“Many of our GMA members are expanding their operations and several are locating new facilities in Georgia. Due to this growth, they have been searching for a construction partner familiar with the specific challenges faced by manufacturers. We are excited to welcome Choate Construction to our organization to fill these needs” said Jason Moss, CEO of the Georgia Manufacturing Alliance. “We are proud to have them join GMA as an Innovator Sponsor and provide educational support to manufacturers in our area.”
