With this partnership, Dr. Pozner joins the GetHairMD™ network of experienced physicians knowledgeable in all forms and causes of hair loss.

GetHairMD™ offers a one-stop shop for patients battling hair loss. These solutions range from non-invasive treatments such as nutritional supplements, prescription topicals, at-home therapies, laser hair growth treatments and stress management products to minimally invasive hair grafting. GetHairMD™ is one of the first in the United States to offer FDA-cleared TransDermal Infusion, which drives specially formulated, medical grade serum directly into the scalp for superior results.

"Sanctuary Medical Center has been successfully helping patients meet their aesthetic goals with world-class minimally invasive treatment options for years. We have decided that non-surgical hair loss/regrowth was the next logical extension of services to better serve the needs of our loyal patients," said Dr. Pozner, MD. "GetHairMD's full suite of safe and effective clinically-proven hair loss treatment options provide patients with superior results which is consistent with our mission of offering patients the perfect treatment option to meet their needs."

"We are so pleased to be partnering with Dr. Pozner and Sanctuary Medical Center to bring our

proven hair loss/regrowth treatments to patients in Boca Raton and the surrounding areas" said Paul Herchman, GetHairMD™ CEO, "Dr. Pozner and the fantastic team at Sanctuary Medical can now offer these breakthrough, proven hair loss solutions to their patients to solve what has become a growing issue for both men and women of all ages."
