About Body Sculpting Marketing

Body Sculpting Marketing's proven marketing programs allow you to partner with us and promote your services while increasing revenue and enabling you to grow your practice or medical spa.

Body Sculpting Marketing was started by Terry and Elisabeth Samuels of Salterra Digital Services; nothing fancy and pretentious. The quality way to [Marketing Your Medical Business](#) at a fair price. Terry has over 30 years of experience in software and computers. Having owned his own web design/internet marketing agency for over 13 years, he has a passion for teaching and helping people. Terry has combined his technical skills with his management abilities to position his companies at the forefront of the industry.

About Salterra Digital Services

Since 2012, Salterra Digital Services has operated as a company. Terry Samuels and Elisabeth Samuels, a husband and wife partnership, are the owners and managers. Three of their children work there, along with many other developers.

The company has produced business websites and graphic design tasks such as business cards, brochures, and catalogs for various businesses. Their clients range in size from small and medium-sized companies to massive corporations, and they advise with them and offer their teams advice on tried-and-true SEO techniques. Regardless of the size of your company, the Salterra team can successfully sell and promote it.

Professional web design, graphic design, and internet marketing are Salterra's areas of expertise. The team will collaborate with your business to create a user-friendly and visually appealing

website for you while ensuring that it strengthens your brand, attracts more visitors, and fosters customer loyalty. Their designers use premium software, reliable technology, and search-friendly design components. By doing this, you can be confident that your final product will be polished, appealing, and consistent with all the requirements for your online business. They excel by giving your company the features and services that will advance it and add value to your industry.
