A whole new industry has arrived in Nevada. Consumption Lounges.

“What many people do not realize is the importance of this new law. Consumption Lounges will be a whole new sector of the Cannabis Industry across the country. People from around the world will be watching as the first Consumption Lounge sites open in the Las Vegas market. Within the next

few years, we expect these lounges will become popular across the country. Soon you will see consumption areas in bars or restaurants”, said Tim Morales, Founder of [Cannabis Lounges dot Vegas](https://cannabislounges.com). “Las Vegas visitors will want to check out a few Cannabis Consumption Lounges so that they can tell their friends back home what it’s like. We can’t wait to see the different Consumption Lounge themes being developed and the options for consumers”.

Cannabis Lounges dot Vegas is providing the #1 Consumption Lounge Directory in the Vegas area. Along with the lounges, there will be additional listings for bars and restaurants, cannabis-friendly hotels, and shows and attractions. Local businesses are encouraged to partner with

Cannabis Lounges dot Vegas on this new venture. Each listing will be able to post pictures and videos of their services.

The Nevada Cannabis Compliance Board has issued 20 Consumption Lounge Licenses to Licensed Dispensaries, 10 Independent Consumption Lounges and 10 Social Equity Licenses. We can't wait to see the different themes for these Consumption Lounges.
