

2050 Forums Returns to Sundance to Catalyze Positive Impact Globally, Announces SXSW partnership

2050 Forums is a global event series guided by United Nations sustainable development goals (SDG's) designed to activate worldwide coalitions to save humanity.

PARK CITY, UTAH, USA, February 24, 2023 /EINPresswire.com/ -- After hosting over 1000 innovators, investors, influencers, film makers, producers and creators across 10 events at Sundance Film Festival highlighting over 50 subject matter experts, founders, investors, creators, and artists, [Feedia](#) is bringing the [2050 Forums](#) to SXSW, NFT.NYC, and Coachella to drive awareness and action toward reducing the world's carbon footprint and other areas of global significance.

The year 2050 may seem like the distant future, but in reality is only a couple of decades away. Unbelievably, the year 2000 was only two decades ago. What future will we set humanity up for?

The UN and the climate community caution that if we don't reduce our carbon footprint to "Net Zero" by 2050, the temperature of the earth will rise by more than 1.5 degrees and we risk

setting off catastrophic climate changes. The Center for the Study of Hate & Extremism reports: "Hate crimes rose 44% last year in major cities." and according to the Journal of Global Health "500 million people lack access to menstrual products and hygiene facilities."

These statistics are jarring at best and at worst are a direct wake up call for humanity to take action.

The 2050 Forums @ Sundance which was hosted at Park City, Utah's [Lighthouse](#), Misfit House and Macro Lodge, was sponsored by The Magic Fund, Upstaged, Culture Shift Labs, Origen Vodka, Ocean Box, W1SE Logistics, Lights, Camera, Diaspora, Value Culture, Uncle Nearest, Talent X, Axxess, Canex, and Afreximbank.
