

LEAP 2030: Saudi Arabia's Vision for the Future

LEAP 2030: Saudi Arabia's Vision for the Future

RIYADH, NOT APPLICABLE, SAUDI ARABIA, February 16, 2023

/EINPresswire.com/ --

LEAP 2030 is a comprehensive vision for Saudi Arabia's future, covering economic, social, and environmental aspects. It aims to transform the Kingdom into a global leader in technology, innovation, and sustainable development by the year 2030. The vision is built on four pillars: Economic, Social, Environmental, and Technological. The Economic pillar focuses on diversifying the economy away from oil, while the Social pillar aims to improve the quality of life for all citizens. The Environmental pillar focuses on sustainable development and reducing carbon emissions. The Technological pillar focuses on investing in research and development to drive innovation and growth. LEAP 2030 is a bold and ambitious vision that will shape the future of Saudi Arabia and the Middle East.
