But Kelly’s presentations offer something very unique to event attendees... an exclusive wine tasting!

As the proprietor of Kelly Family Vineyards, an award-winning vineyard and winery in the Napa Valley, he brings exclusive wines with him to share with attendees. These are wines that start at \$500.00 per bottle and are not available to the general public.

“As someone who achieved success from in-the-trenches work, I enjoy sharing my insights with other entrepreneurs to help them enjoy the Autonomy LifeStyle, too,” states Kelly. “After speaking to small, intimate groups that include business owners, medical professionals,

attorneys, and more, I provide a special wine tasting of our award-winning Autonomy Wines. This offers a fun, interactive experience for attendees that they won't find anywhere else."

For example, Kelly recently spoke at the Action To Win Business Growth Summit in Arlington, Texas, <https://actiontowin.com/atw-december>, on "Creating Your Autonomy Lifestyle Blueprint."

"Gene Kelly not only provided our attendees with inspirational, valuable marketing information unique to his background, but his wine and discussion of the Autonomy LifeStyle were a huge hit," states Dr. Emily Letran, DDS, Action to Win Founder, award-winning dentist, speaker, author, and Autonomy LifeStyle Partner. "Everyone was talking about the delicious wine-tasting experience long after the event ended, and we are already making plans to have Gene speak at another event in the near future."
