

Canada's Fastest Growing EdTech Consulting Company Conquers Colorado

Breaking code isn't just about programming, it is about disrupting the status quo in education.

DETROIT, MICHIGAN, USA, February 17, 2023 /EINPresswire.com/ -- The annual Colorado Association of School Executives Winter Leadership Conference, Excellence By Association, is the only conference that brings together public education leaders from every job position in the state during the school year. Featuring timely and valuable sessions, a robust legislative and policy program, and several engaging networking opportunities, the CASE Winter Leadership Conference provides a dose of mid-year motivation and new learning.

“

We believe all kids can achieve if given a fair chance.

Code Breaker is a beautifully dangerous invitation to reflect on education.”

Brian Aspinall

This year's program includes Wednesday keynote speaker, Peyton Manning, plus breakout sessions and several opportunities for by-member-for-member learning! Between traditional breakout sessions and a learning session called Member Message, attendees will have more opportunities than ever to learn from one another's experiences and expertise.

On February 21, Code Breaker Inc. will lead a day of learning during the pre-conference. With a morning keynote by founder Brian Aspinall, participants can expect

to learn about Computational Thinking, the role of play in schools as well as general discussions focused on assessment and evaluation.

The mission of the Colorado Association of School Executives is to empower Colorado education leaders through advocacy, professional learning, and networking to deliver on the promise of public education.

Code Breaker Inc.'s mission is simple. Engaging students. Well, it is even more than that. We believe in investing in students' well being. We believe in educating the entire child – mind body and soul. We are working to change parameters to meet the needs of ALL students. We believe that all students can achieve if given a fair chance. We accomplish our goals by creating content. We blog, we tweet, we YouTube, we attend conferences, we lead workshops, we develop professional development programs to meet the needs of full school districts. We are passionate about inspiring educators to create curious seeking individuals in classrooms built on a community of trust, risk-taking and a freedom to fail.

inspire. innovate. lead. teach. learn.
