

Medical Marketing Whiz announces the launch of a new podcast, Top Docs

The Top Docs podcast includes topics ranging from menopause and hormones to functional medicine, anti-aging, wellness, surgery, and more.

UNITED STATES, February 17, 2023 /EINPresswire.com/ -- [Medical Marketing Whiz](#) announces the launch of a new podcast, [Top Docs](#), featuring hot topics in healthcare from doctors and healthcare providers from every area of medicine. The Top Docs podcast includes topics ranging from menopause and hormones to functional medicine, anti-aging, wellness, surgery, and more.

The podcast is hosted by Maggie McKay and Bill Klapproth, who have decades of experience in on-air broadcasting and are passionate about health and wellness.

In today's fast-paced world of medicine, it can be hard to keep up with the latest developments and treatment options. With so many new drugs, devices, and treatments hitting the market, there is no better source for medical insight and advice than doctors themselves. The Top Docs Podcast was launched to provide consumers access to leading experts from across the country who share their knowledge in informative twenty-minute episodes.

The goal of the podcast is to provide listeners with powerful insights and practical advice that they can use in everyday life to help improve their health and well-being.

"I'm honored to have been a guest on the TopDocs podcast. What a great way to educate patients on timely topics and introduce the latest advances in female pelvic health. It has allowed me to share my expertise and experience and reach thousands of patients across the country," said Dr. Neeraj Kohli, Top Docs guest speaker and medical director at Boston Urogyn and a
