Creating awesomeness for yourself and others” Reveals Rare Insight into Workspace Dynamics and How to increase belonging and healing within organizations.

“Deliver Value: Happy Contributing people, Satisfied Customers, and Thriving Business” is that rare kind of book that not only clearly explains a series of abstract concepts but is also a pleasure to read.

Dr. Dave presenting and book signing at booth 445 on Saturday, March 4, 2023, and Sunday, March 5, 2023 - University of Arizona mall. The first presentation is focused on Belonging and Healing. Belonging is a basic human need. We all need to feel like we belong. Dave Cornelius draws upon the powerful philosophy of Ubuntu to deliver a simple roadmap to building positive teams and relationships, improving engagement and performance.

The second presentation is focused on Deliver Value. A sprawling investigation and narrative brimming with real-life examples, first-person accounts, historical case studies, and fictional stories - including fictional character Ashanti MWendo, the new chief product innovator at a fictional progressive company called Avant-Garde Realities (AGR) — each carefully crafted, told, and curated.

Dave Cornelius is a business, executive, organizational, and agile coach, and trainer that has been in the forefront of some of the biggest Transformation initiatives in most industries — he has shared his vision through five books and continues to inform and delights his audience with KnolShare with Dr. Dave, a thriving podcast and blog. Belonging and Healing: Creating awesomeness for yourself and others, is now available in eBook and print at Amazon. Deliver Value: Happy Contributing people, Satisfied Customers, and Thriving Business, is now available in eBook and print at Amazon.
