

WITNESS THE INSPIRING OF STORY OF MAN'S PATH TO GREATNESS THROUGH HIS REMARKABLE MEMOIR

William Hill writes his personal feelings about what it is like to be of help to others

YORBA LINDA, CALIFORNIA, UNITED STATES, March 27, 2023

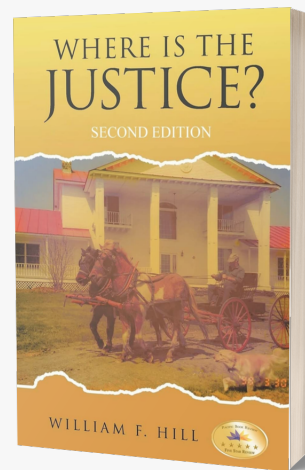

/EINPresswire.com/ -- As some can agree with it, life can sometimes be unfair to others. Some could get the best luck they could ever imagine. This memoir by William Hill entitled, "Where is Justice? Second Edition," will define the true meaning of growth and achieving goals from rags to riches.

Not everyone is born wealthy or famous. William Hill discovered this the hard way. After he had trusted several people and assisted them in achieving what they have now, the assistance William provided to the masses still needed to be returned, as William had anticipated. Though it is not a good idea to expect what other people give will come back willingly, William did expect some of what he helped others return to him.

This memoir has also become William Hill's journal throughout the process, from earning as much money as he can with all of the businesses he has around town to encountering unmeasured obstacles and hindrances that appear in front of him.

Readers can learn a lot from this memoir as they are about to see how a successful man can sometimes feel under the weather and also push away all boundaries to achieve life's goals and dreams.

A book to inspire others and a read to test the leap of faith, don't hesitate to get a copy of [Where is the Justice?: Second Edition](#) by William Hill. Available on [Amazon](#), Barnes & Noble, and all other online book retailers.
