

Pegasus Intelligence & Sovereign Systems Partnership Ensures Unrivalled Communications Choice and Seamless Integration

Pegasus Intelligence and Sovereign Systems Partnership Ensures Unrivalled Choice and Seamless Integration for Communication Projects across GCC.

UAE, February 18, 2023

/EINPresswire.com/ -- Pegasus

Intelligence FZCO, provides world-class project and programme management alongside next generation solutions to government and military clients across the UAE and greater GCC, their partnership with Sovereign Systems is strategically aligned to ensure that the very best technologies across the breadth of the Communications sector are seamlessly integrated to meet each of our clients exacting project specifications.

The Sovereign Systems Group was founded to ensure the delivery of tailored solutions including, IP Mesh Tactical MANET radios, IMSI Catchers and cellular surveillance technologies from the world's best leading-edge technology manufacturers to commercial companies and government agencies.

"As they are trusted suppliers of many of the world's best manufacturers, our enduring relationship with Sovereign Systems enables us to fulfil client requirements through a streamlined procurement process. This is aligned with our product management orientation, bridging customer requirements to product manufacturers to enable complex ideas to become a cost-efficient reality for our clients." Andrew Grunstein, CEO, Pegasus Intelligence FZCO

"Our partnership with Pegasus Intelligence FZCO ensures that our portfolio of cutting-edge products is seamlessly integrated into each project, we ensure that clients' tough challenges

become success stories where we can be relied upon to exceed customer expectations” James Moloney, CEO, Sovereign Systems Pte. Ltd.
