

# Pegasus Intelligence Partners with Gedion to Bring the Most Advanced Surveillance Equipment to Clients in the GCC

*Pegasus Intelligence Partners with Gedion to Bring the Most Advanced Surveillance Equipment to Clients in the GCC.*

UAE, February 18, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- Pegasus

Intelligence FZCO, provides world-class project and programme management alongside next generation solutions to government and military clients across the UAE and greater GCC, their partnership with Gedion ensures that the smartest, smallest, and most robust covert audio surveillance equipment is available to our clients for whom privacy is of paramount consideration.

"Gedion is the market leader for covert miniaturized audio surveillance equipment and so we rely upon them to fulfil the brief of the exacting needs of our governmental and law enforcement clients with their advanced technologies that introduce unique features to the market" Andrew Grunstein, CEO, Pegasus Intelligence

"Clients of Pegasus Intelligence expect future-proof technology and we fulfil the brief by providing a substantial portfolio of ultra-small, ultra-thin and ultra-low powered audio recorders with an unrivalled set of features. From our SD card footprint audio recorder to the smallest audio recorder with store and forward and our LTE / IP audio streamer we offer solutions to address the most complex of challenges. We are pleased to partner with Pegasus Intelligence to bring our technologies to new clients in the greater GCC." Gedalik Britaniskin, Managing Director,
