

# RE Construction is now offering local Handyman services

*RE Construction expands service offerings, now providing local Handyman services in San Antonio, Texas.*

SAN ANTONIO, TX, USA, February 27, 2023 /EINPresswire.com/ -- Re Construction, a leading provider of construction and remodeling services, is proud to announce the expansion of its service offerings to now include local [handyman](https://reconstructiontexas.com) services in the San Antonio area. With over 20 years of experience in the construction industry, <https://reconstructiontexas.com>, Re Construction is committed to providing the same high-quality service and attention to detail that their customers have come to expect.

The new local Handyman services will include a range of tasks, from minor repairs and installations to larger renovation projects.

Re Construction's team of skilled and licensed professionals, are equipped to handle any task, no matter how big or small, and are dedicated to providing efficient and effective solutions to any household maintenance or repair needs. Some before and after pics can be seen on their website

"We're thrilled to be able to offer our customers a wider range of services," said Travis Louie, owner of Re Construction. "Our team has the experience and expertise to tackle any home repair or maintenance project, and we're excited to be able to provide our customers with a one-stop-shop for all their construction and handyman needs."

In addition to the new Handyman services, Re Construction will continue to offer their existing services, including remodeling, renovation, and construction for both residential and commercial properties. The company is committed to providing exceptional service and quality workmanship on every project they undertake.
