

Rubicon and Fibank Albania announce milestone partnership: Pago MasterCard clients may use Fibank ATM network nationwide

Pago's clients may use Fibank Albania's ATMs for free cash withdrawals. This partnership marks a significant milestone for Pago.

TIRANA, ALBANIA, February 20, 2023 /EINPresswire.com/ -- [Rubicon/ Pago](#), an Albanian fintech company operating as an Electronic Money Institution, is proud to announce a new partnership with Fibank Albania.

Starting this February, Pago's clients may use Fibank Albania's ATMs for free cash withdrawals. This partnership marks a significant milestone for Pago, as the company continues to fulfill its vision of providing a fully digital

banking experience. With its EMI license obtained in January 2022 and Master Card Principal membership acquired in June 2022, Pago's clients already have a current account and IBAN issued by the Central Bank of Albania, as well as a Mastercard debit card. This new ATM partnership allows Pago to offer its clients a complete and seamless banking experience.

Mr. Eno Kotmilo, interim CEO of Rubicon states: "This partnership with Fibank Albania is a major step forward for Rubicon to increase the range of products for our clients. This partnership is a testament to our commitment to providing innovative and convenient financial solutions to our clients and demonstrates the confidence that leading financial institutions have in our services."

Mr. Bozhidar Todorov states: "Fibank is always opened to new opportunities in the market including collaborations with Fintech's which are offering new digital banking experience. We
