FLORAL CITY, FLORIDA, UNITED STATES, February 20, 2023 /EINPresswire.com/ -- The Walk of Arts 2023 is set to take place on November 4th in Floral Park, Floral City, Florida. This year's lineup promises to be one of the best yet, featuring an incredible mix of talented regional and national bands, along with exciting art competitions for youths and adults.

Bands scheduled to perform at the Walk of Arts 2023 include youth musicians CHS Breez and Landon Devon and regional bands Actual Bank Robbers, NightMayer Trio, and American Piracy. The bands will be playing a mix of late 90s - early 2000s covers, setting the stage for the evening's headliners - The Pop2000 Tour featuring O-Town, LFO, and Ryan Cabrera. Attendees can expect an event filled with unforgettable music that will have them dancing and singing along.

The poster for the Walk of Arts 2023 Musical Lineup features a vibrant, multi-colored background with geometric shapes in blue, pink, and green. At the top, a stylized graphic of a microphone contains the text "THE POP2000 TOUR". Below this, the text "at the Walk of Arts" is prominently displayed, with a circular arrow graphic around the word "Arts". The names of the headlining acts, "O-TOWN", "RYAN CABRERA", and "LFO", are listed in large, bold, white letters. Below the names are three photographs: a group of four young men (O-Town), a man in a leather jacket and sunglasses (Ryan Cabrera), and a man with a bandana and microphone (LFO). At the bottom of the poster, there are logos for the "twis-tid/ARTS INITIATIVE", "twis-tid/Arts", "CHRONICLE", and "DEEMS".
