

Revolutionary New Data Consulting Agency Launches In Australia In Partnership With Recruitment Entrepreneur Australia

New specialist data recruitment agency, Vanguard Digital Consulting, officially launched today in partnership with, Recruitment Entrepreneur International.

SYDNEY, NSW, AUSTRALIA, February 21, 2023 /EINPresswire.com/ -- New specialist data recruitment agency, [Vanguard Digital Consulting](#), officially launched today in partnership with global recruitment investor, Recruitment Entrepreneur International.

Founded by Paula Dickson and Justin McAvoy, who previously held roles as Operations Director and Executive Director APAC at Allegis Global Solutions, Vanguard Digital Consulting is a new breed of consulting agency offering a pragmatic solution-focused programme designed to address the talent crisis in the Australian data and technology sector and build a more diverse workforce.

Vanguard Digital Consulting invests in handpicked individuals through a rigorous 12-week training academy featuring leading data technologies, and a special development program focused on instilling essential consulting skills that are fundamental for optimising the value of digital transformation journeys.

On successful graduation from the academy, consultants will work on real life challenging data projects with some of the best-known organisations in Australia.

Justin McAvoy said: "We know that talent comes from a diverse range of backgrounds, and we're

committed to creating opportunities that break down the traditional barriers associated with the tech industry. We are extremely excited to bring together a diverse group of likeminded, passionate people looking to kickstart their career in the data industry.”

Vanguard Digital Consulting is the 31st international partner for Recruitment Entrepreneur International and this is a particularly significant partnership since it represents the exceptionally high competence and expertise.

Paula Dickson said: “The first-class infrastructure and support from Recruitment Entrepreneur allows us to launch Vanguard Digital Consulting with confidence. Their international network and track record of building and scaling successful recruitment businesses will help us establish our market presence and grow quickly to become a leader and innovator in the data recruitment niche.”
