Nationwide Mobile [Covid Testing Services](#) for Business, School, Pre-Flight, and Other Key Safety Needs.

Focused on Acquiring and Developing Companies and Technology that Emphasize a User-Friendly Approach.

Leadership Team Represents a Unique Blend of Entertainment and Medical Professionals who came out of COVID-19 Testing for TV and Film Productions.

100% Acquisition of Pioneer Digital Health for Tele-Health Service Expansion.

Lotus Bio-Technology Development Corp. (OTC: LBTD) is committed to improving healthcare and advancing diagnostics through technology development and market acquisition. LBTD currently manages a portfolio of state-of-the-art technologies and innovative companies that are successfully modernizing medicine and prioritizing a user-friendly approach to patient care.

\$LBTD Rapid Testing

LBTD Subsidiary Focal Point Healthcare offers a nationwide range of mobile Covid Testing which can be sent out within 24 hours of notice. LBTD has already established multiple locations of operation in California, Arizona, Nevada, and Florida.

Current services include the following:

Drive-Thru Testing

“

This is a great time to be alive and witness all the positive changes in the healthcare industry and have the ability to give patients and providers alike the chance to diagnose most medical problems”

LBTD CEO, Hoyt Christopher

LBTD Drive Thru testing does not require an appointment. LBTD offers two types of tests, a Rapid Antibody test (finger prick) and a PCR (nasal swab).

A licensed clinician performs the Rapid Antibody test (finger prick), and has it interpreted by a LBTD Medical Director. The results will be sent via email to you within 30-45 minutes.

The PCR test (nasal swab) is performed by a licensed clinician and the specimen will be sent to one of the company's laboratories. Results take 24-48 hours to be sent out via email.

School Districts

Board Certified in Pathology Medical Director.

On-the-ground, experienced production representative to establish a testing base camp and implement protocols at each studio or location.

LBTD Focal Point Health Care owns multiple labs to ensure quick results & fast turn-around to keep productions on time and on budget.

LBTD labs and testing services are licensed in all 50 US States & Canada and have been granted Emergency Use Authorization (EAU) by the FDA for SARS-CoV-2 tests.

Preflight Testing

LBTD Focal Point Healthcare Services has partnered with a number of airlines and airports which require preflight Covid testing. By guaranteeing a timely turnaround time, LBTD makes sure that all customers are ready in time for their flights. Results can be sent directly to the customer to bring to the airport.

Corporate Partnerships

LBTD Focal Point Healthcare Services has partnered with a number of businesses, professional sports teams, and facilities. LBTD has streamlined the process of collecting hundreds of samples and getting results in a timely manner. LBTD understands the importance and urgency of administering testing to our corporate accounts to ensure all employees are safe and healthy. LBTD offers flexible dates and times for service.

With LBTD management having experience and key connections in the entertainment field, the company has been performing important testing services to keep some very high-profile shows running safely and on a timely basis.

LBTD Increases Footprint in the Fast-Growing Digital Health and Wellness Home Testing Markets with the Acquisition of Pioneer Digital Health

On February 16th LBTD announced it has acquired 100% of Pioneer Digital Health, Inc., a leading Tele-Health Technology Company that will help solidify its presence and will give LBTD its foothold in the fast-growing digital health and wellness home testing market, joining high-growth companies such as EverlyWell (\$2.9 billion) and Color (\$4.6 billion).

"This is a great time to be alive and witness all the positive changes in the healthcare industry and have the ability to give patients and providers alike the chance to diagnose most medical problems without having to leave the comfort of your home or office which is what Pioneer Digital Health allows us to do", says LBTD CEO, Hoyt Christopher.

Pioneer Digital Health, a leader in the digital health industry, is changing the way healthcare is delivered. By leveraging technology, Pioneer Digital Health provides patients with more convenient and accessible healthcare options. Their innovative solutions are designed to improve patient outcomes and reduce costs.

"We are excited to join LBTD and be at the forefront of the digital health revolution," said Pioneer Digital Health CEO, Leo Johnson. "Our goal is to make healthcare more patient-centric and personalized. With our solutions, patients have the tools they need to take control of their health and well-being. "

Pioneer Digital Health's suite of digital health solutions includes telemedicine, electronic health records, and preferred pharmacies. These tools make it easier for healthcare providers to deliver high-quality, efficient care and empower patients to manage their health more effectively.
