

SaaSify launches Watch Outs for streamlining SaaS Subscriptions in Cloud Marketplaces

Watch Outs is the latest addition to SaaSify's powerful features to help ISVs retain customers by alerts on subscription expiration!

REDMOND, WASHINGTON, UNITED STATES, February 22, 2023 /EINPresswire.com/ -- SaaSify is

“

SaaSify's Watch Outs ensures that ISVs capture the interest of customers at the right time for renewal, via an email notification alert indicating that their SaaS subscription is about to end.”

Manesh Raveendran, Founder & CEO, Spektra Systems.

excited to announce the launch of its Watch Outs feature to help ISVs facilitate customer retention by sending subscription expiration alerts. This latest feature seeks to help ISVs achieve repeat business before expiry of the subscription period for customers. [Research](#) shows that repeat customers have been measured to spend an average of 67% more than the new customers.

With this feature, ISVs will be able to go to their customers 15-20 days in advance before subscription expiry to discuss renewal and long term contracts. Watch Outs by SaaSify will keep ISVs on top of your customer subscription and give you key insights and reporting to prevent

subscription expiration. With Watch Outs ISVs will get timely alerts and notifications to engage their customers for subscription renewal.
