“

Dynamic Smart Payments
Router - Enhancing your
Payments Experience.”

PayAid Payments

Telangana Education Minister.

"We would like to thank Smt. Rama Devi Kanneganti Ma'am - Chairperson at Atal Incubation Centre ALEAP We-Hub, Mr. Venkata Suresh Telu - Centre Manager/Incharge, AIC-ALEAP and Smt. Jhansi Lakshmi G. - Director-Technical, AIC-ALEAP, Aleap We-Hub for believing in PayAid®." said Alka Mehta - Founder & CEO of PayAid Payments and Phani Teja - Co founder & Managing Director of PayAid Payments.

They have also congratulated & thanked the entire team of PayAid and their well-wishers for standing by their side throughout the journey. "Our journey has been extremely rewarding, and we can't wait to enter new markets and grow our team and business. We thank everyone who has played a part in our success; we couldn't have done it without you." said the founders of

PayAid Payments.

About PayAid Payments: PayAid Payments offer a flexible payment solution which takes into consideration all key features and functionalities of banking products for a high success rate in payment acceptance. It calculates the best route across Aggregators, Banks and MIDs, configuring rules in real-time to track results and adapt to various scenarios depending on client needs to optimize incoming and outgoing transactions.

founders, Alka Mehta & Phani Teja, have revealed plans to utilize fresh capital to develop new use cases in digital transformation and payments security while also expanding the company's presence and staff. With a strong foothold in India and a team based in the country, PayAid Payments will focus on building effective go-to-market strategies targeted at the Indian market over the next few quarters.
