is approved by the Federal Aviation Administration FAA to provide FAA approved FAR Part 141 flight training.

They have been approved in 2018 for a short commercial pilot course under FAR 141.55 which will lead enrolled flight students from zero experience to Commercial Pilot with Multi Engine Rating in as little as 111 hours of total flight time. Most of Florida Flyers' pilot programs can be completed within 4 months or less.

Over the past years, Florida Flyers Flight Academy has trained over 5000 U.S. and international flight students. Many of the Florida Flyers pilots have been hired by major airlines all over the world. Their first attempt pass rate is over 90%.

With their planned visit in Germany, Egypt, India and Vietnam, future pilots will have the opportunity to learn about the flight training options in the USA and receive information on flight training fees involved with the training to become a pilot.
