Arizona Painting Company Paint It Forward

“

We are thrilled to launch our Paint It Forward campaign for 2023. We believe that everyone deserves a beautiful home or business, and we want to help those who may be struggling to make that happen.”

*Joe Campbell*

The Arizona Painting Company understands that even a new coat of paint can be costly and that many people and organizations may struggle to afford a large painting project. That's why they are inviting people to nominate someone they know who is in need of a free paint job. These organizations, businesses, individuals, and families can be nominated by their loved ones and will be hand-selected by the Arizona Painting Company.

"We are thrilled to launch our Paint It Forward campaign for 2023," said Joe Campbell, co-owner of the Arizona Painting Company. "We believe that everyone deserves a

beautiful home or business, and we want to help those who may be struggling to make that happen."

The Paint It Forward campaign is part of the Arizona Painting Company's commitment to giving

back to the community. In addition to providing free painting services, the company also supports local charities and organizations through donations and volunteer work.

Nominations for the Paint It Forward campaign can be submitted through the Arizona Painting Company's website. We will choose our first winner on March 3, 2023 so nominate today. The deadline for nominations is March 17, 2023 and we will choose the remaining winners immediately after.
