

Agility Insurance Services Expands Partnership with El Rancho Supermercado

RICHARDSON, TX, UNITED STATES OF AMERICA, February 21, 2023 /EINPresswire.com/ -- Today, [Agility Insurance Services](#) announced an exclusive partnership to promote health insurance products inside the El Rancho Supermercado stores. El Rancho is one of the largest and fastest-growing grocers serving Hispanic communities in Texas.

Agility's partnership includes El Rancho's owned locations and expands the relationship from 11 stores to all 28 sites. El Rancho is one of the premier grocers and retailers serving Hispanic communities with numerous locations in Dallas-Fort Worth, Houston, and throughout the state. The relationship is the farthest-reaching strategic initiative Agility has developed to serve agents with prime retail locations for promoting the brand and opportunities to enroll customers with health insurance.

"Our two teams have done an outstanding job in 2022. Together we have created a great experience for our agents and customers to discuss their health insurance options and enroll customers in health plans that meet their needs," said Jake Frost, Director of Strategic Partnerships for Agility. "Agility makes decisions based on data and feedback from agents and customers. El Rancho's locations are among the very best for engaging the communities we serve as our agents share important discussions with individuals about health insurance options. We couldn't be more excited to expand our relationship and grow with the El Rancho family. Hopefully for many years to come," he added.

"Agility has been a great partner for us and our customers. The El Rancho team appreciates the expansion of our relationship with Agility, and we look forward to working together in our communities in 2023 and beyond," said Viviana Bernal, El Rancho's Vice President of Facilities Management.

Throughout 2023, Agility will announce opportunities for select agents to work in storefronts and spaces within the El Rancho locations. These coveted locations will be granted to agents who are committed to excellence with Medicare and ACA health plan product enrollment and
