

FAITH UPLIFTING A DOWNCAST SOUL

Resiliency taught by experiences through a life well traveled.

TORONTO, ONTARIO, CANADA, February 22, 2023 /EINPresswire.com/ -- Cecilio N. Navarro Jr. proves that with faith, anyone could go places no one can ever even imagine. Going through tough times and facing difficult challenges, Cecilio managed to rise above the clouds of discouragement.

Growing up in the Philippines, Cecilio N. Navarro Jr. was caught in the midst of deprivation of a normal life, yet little did he know that he was bound to live an extraordinary life outside his own country. His father, setting the bar too high, managed to land a decent job as a school teacher and Post Exchange Manager at Clark Air Force Base despite just having completed sixth grade as his highest educational attainment.

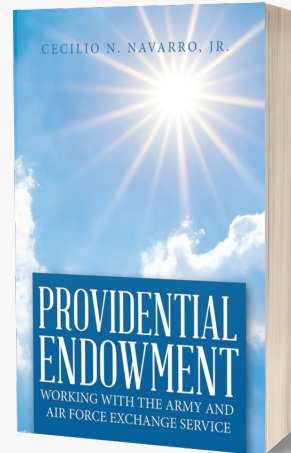

Due to Cecilio's outstanding work, he was one of the first few people to receive special immigrant status to come to the United States. This grant paved the way for many great things in his life, and such experiences are told by Cecilio in this memoir.
