The funds raised from the recent fundraiser will be used to improve Wonder Strategic International's technology capabilities, allowing the company to remain at the forefront of the rapidly changing content and media

landscape. The company has launched its very own metaverse, the Paradise Meta-world, powered by Singapore's Xctuality, in addition to growing its Web 3.0 community through creative talent and intellectual property creations. An immersive and dynamic online experience is provided to users by this innovative new platform, which offers a variety of new channels for content, live events, and meta-commerce.

Wonder Strategic International has appointed Ms. Shirley Wong as its new chairman as well as Mr. George Goh, Chairman & CEO of Ossia International Ltd, and Mr. Goh Seng Wee, MD of Brain

Too Free Ventures, to its advisory board as part of its ongoing growth and expansion. With these important hires, the business will be better prepared for future success.

"Through its global network, Wonder Paradise is set to produce I.CON-Influence Marcon 2023 this quarter, bringing together leading industry professionals, tech and marketing experts, and global icons, celebrities, and creators. The platform provided by I.CON 2023 allows attendees to inspire the following generation of technological leaders while exchanging insights and forecasts. The event will also feature successful global icons and creators such as Miki Rai, Cantika Citra, Bowie & Boanne Cheung, Sam & Monica, who will collaborate with local Singapore creators such as Royce Lee, Julie Tan, Sonia Chew, Noah Yap and many more to share their invaluable views and insights over two days of events, both physically and through the Metaverse."
