Montgomeryville has won a "Best of Houzz" award for Design and Customer Service on Houzz®, the leading platform for home remodeling and design, including the all-in-one software solution for industry professionals. The 33-year-old custom organization solutions company was chosen by the millions of homeowners that comprise the Houzz community from among more than 3 million active home building, remodeling and design industry professionals.

Best of Houzz awards are given annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the

most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2022. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

"Best of Houzz 2023" badges appear on winners' profiles as a sign of their commitment to excellence. These badges help the more than 65 million homeowners and home design enthusiasts on Houzz to identify popular and top-rated home professionals for their projects.

"Our culture is laser-focused on building strong and enduring customer relationships," said David Cutler, President, The Closet Works. "At The Closet Works, we provide a first-class interaction that will ensure total satisfaction and enduring customer loyalty and we are pleased to be recognized by our friends at Houzz."

"We are thrilled to highlight incredibly talented and customer-driven pros from the Houzz community through the Best of Houzz awards," said Liza Hausman, vice president of Industry Marketing for Houzz. "At Houzz, we strive to support professionals from building their brands

and attracting clients, to managing their business efficiently and profitably, and collaborating with clients. The Best of Houzz awards provide a distinctive mark of credibility for homeowners looking for pros on Houzz. We congratulate all the winners for everything they've accomplished in 2022 and look forward to seeing their work and positive reviews in the year ahead."
