About the US Military Academy at West Point

The U.S. Military Academy at West Point is a four-year, co-educational, federal, liberal arts college located 50 miles north of New York City. It was founded in 1802 as America's first college of engineering and continues today as the world's premier leader-development institution, consistently ranked among top colleges in the country. Its mission remains constant—to educate, train, and inspire the Corps of Cadets so that each graduate is a commissioned leader

of character committed to the values of Duty, Honor, Country and prepared for a career of professional excellence and service to the nation as an officer in the U. S. Army. For more information, go to www.westpoint.edu.

[About FITGMR](#)

Born out of Cloud9, one of the world's most successful esports organizations, FITGMR is a performance and esports player development organization. FITGMR developed the first app specifically designed to meet the mental and physical demands of gamers and esports athletes and offers a science-based curriculum for secondary and post secondary educators and coaches to support healthy gaming education and practice. FITGMR's Training Grounds is a premier comprehensive training experience that includes esport-specific in-game training, competitive league play, coaching, and community engagement. Training Grounds has furnished more players to the professional/semi-professional scene as coaches, players, and in esports careers than any other training organization.
