

Learning Pool Celebrates 3 Years of Award Wins at Brandon Hall Human Capital Management Excellence Conference

Learning Pool, a global provider of learning solutions, received a commemorative plaque to acknowledge three years of excellence in learning & business impact.

PALM BEACH, FLORIDA, UNITED STATES, February 23, 2023 /EINPresswire.com/ -- Since 2020, [Learning Pool](#) has been awarded eight Brandon Hall Awards from both the Human Capital Management and Excellence in Technology annual programs. This includes Gold for 'Best Advance in Learning Technology Implementation' in partnership with mobile gaming house, Supercell in 2021. Demonstrating a time saving of 8-9 working hours by relieving the L&D team of previously manual processes, this award recognized Supercell's implementation of the Learning Pool Platform that was used to create a complete learning ecosystem built on three transitional layers - learning experience, engaging content and data and insights.

In 2022, Gold for 'Best Results of a Learning Program' was also awarded in partnership with a global leading Fortune 100 pharmaceutical company for a three-year project that used behavioral data insight to optimize learning and measurably reduced learner seat time by 91% between 2019-22.

These achievements not only acknowledge the success of Learning Pool's customers and their L&D goals but validate the company's promise to help them on their journey to extraordinary through its commitment to [innovation](#) and data-driven outcomes.

The conference, which took place at the Hilton West Palm Beach in Florida, US in January 2023, was held in person for the first time since 2019 and saw some of the industry's leaders gather to share innovation and thought leadership, as well as celebrate Brandon Hall's award winners from the previous three years. Learning Pool was among those demonstrating the latest developments in its core suite of strategic solutions, including the addition of a leading-edge [skills](#) management capability through the acquisition of Swiss-based People-Analytix.

The company's Chief eXperience Officer, Page Chen, took to the stage alongside The Coca-Cola Company's Jerry Thorner to deliver a session on achieving business impact through digital learning. Throughout the talk, The Coca-Cola Company shared how Learning Pool supported its strategic goals and culture of innovation with a modern, scalable and data-enabled environment.

At the awards ceremony on February 1st 2023, Learning Pool received a commemorative plaque to acknowledge three years of learning achievement in the Brandon Hall Spring and Fall awards programs.
