HARPENDEN, UNITED KINGDOM,

-- [JGA Recruitment Group](#) is officially
one of UK's Best Workplaces™ for
Wellbeing.

We are incredibly proud to announce
that JGA Recruitment Group has been
recognised as one of the UK's Best
Workplaces™ for Wellbeing by Great
Place to Work®!

Great Place to Work's culture experts
analysed thousands of employee
surveys, assessing people's holistic experiences of wellbeing at work to determine the UK's Best
Workplaces™ for its Best Workplace Wellbeing list. The surveys asked employees to comment on
how their company supports their work-life balance, sense of fulfilment, job satisfaction,
psychological safety, and financial security. Evaluations also included assessing how well the
organisation could consistently deliver employee experience across all departments and
seniority levels.

To be recognised as one of the UK's Best Workplaces™ for Wellbeing is a considerable
achievement and a testament to JGA Recruitment Group's commitment to create an
environment where its employees can thrive. The company continues to prioritise employee
wellbeing by offering equitable activities, support, and training to ensure everyone feels valued
at work.

Employee engagement events ranging from charity days to trips abroad have further
contributed towards fostering positive internal relationships which have helped develop a
positive, supportive, and inclusive workplace culture within the firm.

When the founder of JGA Recruitment Group, Nick Day, was informed about the company's
inclusion on the list as one of the UK's Best Workplaces™ for Wellbeing, he commented:
