

# finish'd Inc. Chosen for Newchip's Intensive Global Pre-Seed Accelerator Program

*All-in-one on-demand platform among top applicants selected for Newchip's online accelerator*

CENTENNIAL, CO, US, February 24, 2023 /EINPresswire.com/ -- finish'd, an on-demand platform that helps users get more done while saving them time, effort, and money and resolves issues drivers, gig workers and hosts face, was accepted into [Newchip](#)'s renowned global accelerator program. Designed to provide all the skills and tools founders need to rapidly fund, build and scale their companies, past accelerator cohorts averaged more than 17.5 times the average funding amount. The equity-free, fully digital accelerator has helped over 2,500 founders from more than 50 countries and 250 cities raise over \$2.2 billion in funding with an estimated portfolio of over \$9B.

"Newchip evaluates a diverse number of companies across all industries from around the world, selecting a small percentage to join our accelerator," says Brian Lee, Head of Product at Newchip. "This strict selection process makes us an ideal partner for investors looking for promising start-ups. SaaS marketplace companies like finish'd can scale quickly with proper funding and guidance. We are excited for finish'd and believe they will do well at Newchip."

"Being accepted into the Newchip Accelerator, we are excited to connect with investors throughout the globe interested in our industry, fine tune our company, and build out a strong and dedicated team, which will take finish'd to the next level", says Brannon Peterkin, the founder of finish'd. "We have this solution that users, providers, hosts, and drivers have been asking for and through Newchip, we will be able to ensure that they will be able to experience benefits of finish'd. With the continued growth and feedback, we'll be able to update and enhance the platform to ensure that it is exactly what users want."
