

Lionel Messi Song By VanMilli Is The Perfect Winner's Anthem

VanMilli Is Aspiring to Be the Goat of His Own Sound.

SPAIN, February 24, 2023

/EINPresswire.com/ -- VanMilli releases "Lionel Messi". The song is named after the Paris Saint-Germain and former FC Barcelona football player. Messi is considered the best football player in the world, and he recently led Argentina to win The 2022 FIFA World Cup after 36 years since their last triumph.

The artist, music producer and songwriter, who views music as art, stating "versatility and originality" as a very important value to his music, is also known for his distinct and unique style. With this single, VanMilli displays

his admiration to Messi's legendary status while also making a statement about his own career. He expressed that he was "feeling inspired by the way Lionel Messi has achieved to do the impossible in football," which he feels resonates with his own ambition regarding his career and the evolution of his sound.

Just like Lionel Messi, VanMilli has a winner's mentality. Football fans and people with that same mindset are really going to enjoy this anthem. As VanMilli states... "Amma star boy coz I ball like Messi."

The song also has a video-game vibe, with a hip-hop and rock fusion, making the listener excited as the tune plays. The song is ideal to listen to while at the gym, outdoors or just to get the listener in a positive mood.
