LAS VEGAS, NV, UNITED STATES, February 24, 2023 /EINPresswire.com/ -- Nevada Painting Company is excited to announce the launch of its 5th annual [Paint It Forward](#) charity campaign. Paint It Forward Winner 2022

Over the years, Nevada Painting Company has received several nominations for homeowners and local charities who need a fresh coat of paint but cannot afford it. The company understands that even a new coat of paint can be costly, and it can become hard to afford a large painting project. That's why Nevada Painting Company is honored to participate in this initiative that better the curb appeal and lives of one of the nominees that are submitted to them from their customers.

“

We are thrilled to launch our 5th annual Paint It Forward charity campaign. This initiative is close to our hearts, and we are committed to improving the lives of deserving homeowners and charities.”

Last year, Nevada Painting Company selected Kathy Brennan, a hardworking mom and teacher who continues to sacrifice her own needs for those around her. From taking care of her daughters to teaching full time, then

watching children after school and more, Brennan fills her day serving others. Her home was showing wear and tear, and the company did not want her to stress one more day. With the Paint It Forward campaign, Nevada Painting Company provided a fresh coat of paint for her home, improving its curb appeal and making it a better place for Brennan and her family.

"We are thrilled to launch our 5th annual Paint It Forward charity campaign," said Brian Cho, General Manager of Nevada Painting Company. "This initiative is close to our hearts, and we are committed to improving the lives of deserving homeowners and local charities in our community. We encourage everyone to visit our website to nominate someone they know who needs a fresh coat of paint."
