

Education Start-up EERIV Europe UAB helps foreign students study in top European universities

VILNIUS, LITHUANIA, February 25, 2023 /EINPresswire.com/ -- The company provides innovative solutions that help students succeed in their academic pursuits.

Europe is home to some of the most prestigious universities in the world. According to the 2023 Times' rankings (<https://www.euronews.com/next/2022/12/29/europes-highest-ranked-universities-which-countries-are-performing-the-best-in-the-global->), 36 universities are in the Top 100 while 15 are in the top 50. That is why students from around the planet dream of attending them to boost their career prospects and land a high-paying job. However, the application process can be very overwhelming for foreign students. This is where education services start-up; [EERIV Europe UAB](#) is trying to help.

The advertisement graphic features the EERIV logo in the top right corner. The main text reads: "Let's Help connect you to a suitable University In Europe". Below this, a blue checkmark icon is followed by the text: "We'll help you through each step of the admission process". The central image shows a black graduation cap with a gold tassel resting on a small globe that is placed on an open book. The background is a blurred image of a university building. At the bottom, there is a white bar containing the phone number "+37066150445", social media icons for Facebook, Instagram, Twitter, and LinkedIn, the text "EERIV EUROPE UAB", and the website "www.eeriveurope.com".

The start-up was founded in Vilnius, LITHUANIA, and helps students navigate the paperwork and admission process so they can get started quickly. In a short period, the company has helped thousands of students, especially those who are not familiar with the European education system. Overcome barriers such as language or cultural differences to get a world-class education.

Speaking on occasion, [Esong Flaubert Elong](#), the founder of EERIV Europe UAB, said, "At EERIV Europe UAB, we understand the importance of higher education and how it helps people escape poverty, improve their living standards and become productive members of society. We take pride in being able to help students with support and guidance so they can turn their ambitions into a reality by getting an education in Europe. Our mission is to ensure lack of information or

access does not come in the way of them getting an international educational experience."

They have strategic partnerships in place with top universities and handhold students throughout the entire documentation process. Their comprehensive application package includes guidance with admission application assistance, travel itineraries, visa checklist, and more.

He continued, "We also assist with scholarship and grant applications so that money doesn't come in the way of quality education. Our team guides students on the European scholarships available in places like France, the UK, Sweden, and Germany."

Students that want to [study in Europe](#) can visit their website and go through their list of partner programs and institutions: <https://eeriveurope.com>
