The Follower III: Terrorist Groups in Silicon Valley and Boston Are Smashed by the Follower

Published in September this year, [The Follower III: Terrorist Groups in Silicon Valley and Boston Are Smashed by the Follower](#) is the third book of Husher's [The Follower](#) series, and it covers three identical deaths, or murders, that leads Axel Tressler to go undercover in Silicon Valley. This mission then brings him to Boston, Great Britain, Iran, and Mexico.

"The book is full of action and thrill and makes you hooked to it. I really liked how the author created the advanced technology world in a unique style. You will enjoy it if you like to read SciFi thrillers with crime investigations," [Amazon](#) customer, AliReads, says.

Entertaining and endlessly thrilling, [The Follower III](#) continues to take readers to the land of anticipation and excitement, making the book difficult to put down.

Currently residing with his wife in Los Altos Hills, California, John Husher earned his electrical engineering degree from the University of Pittsburgh but worked as a solid-state physics scientist for forty-five years.
