

A Guide to a Greener Pasture

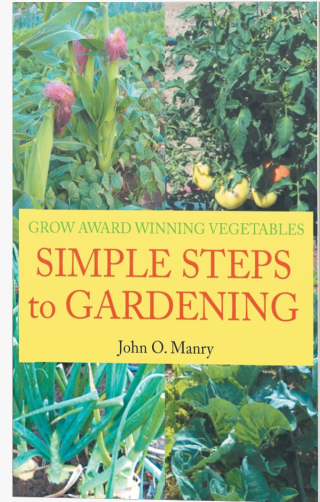

John O Manry takes readers on a step-by-step process to growing the perfect plant.

YORBALINDA, CALIFORNIA, USA,
February 25, 2023 /EINPresswire.com/
-- Author John O Manry presents the perfect tool for the newbie and frustrated gardeners. "Simple Steps to Gardening: Grow Award Winning Vegetables" tackles on the method of covering, cultivating, and watering as well as using the proper tools for specific plants.

Gardening may not be for everyone, but it's definitely an essential skill one must acquire. Right from choosing the best soil down to the proper apparatus, John O Manry shares his knowledge from years of gardening experience. Plants can be used as decoratives around the house or as a bonus to the household's aesthetic. Calendulas, Marigolds, and Sunflowers are just a few of the plants the author trains the reader to the correct cultivation. As the threatening issues of climate change is just around the corner, this book is the first step to becoming better residents of the Earth for a greener tomorrow.

John Manry is a world class master gardener. A graduate from Brigham Young University with an MBA from the University of Montana, Manry has published Simple Steps to Gardening: Grow Award Winning Vegetables to spark inspiration to aspiring gardeners since his life goal is to have every individual on this Earth to own a productive garden. Manry is a former Air Force officer which has given him the opportunity to garden in several states in the past. The author is known to have reputable perseverance which is the key to his many life achievements.
