

Social Activist Kieran Upadrasta Strives to Contribute immensely towards Education, Peace and Equality, and Poverty.

Kieran Upadrasta has emerged as an angel in disguise for millions of people across the globe.

SWEDEN, February 26, 2023

/EINPresswire.com/ -- By providing a ray of hope, The most gracious, The merciful, His Highness Kieran Upadrasta founded a cancer research trust that offers research services for cancer prevention, diagnosis, and treatment. The trust supports scientists, doctors, and nurses and provides relevant information and services. The trust helps families who get through frightening times to save their lives. It enables individuals to live up to their dreams. In addition, the trust also focuses on providing emotional support to cancer patients and their families. The trust and all the working staff help cancer patients deal with the disease. The trust also built a cancer research institute as well.

The Honourable Kieran Upadrasta had been working as a cyber security architect and specialist who has selflessly pursued the welfare of society. Outside of the world of tech, Kieran Upadrasta emerges as a social activist and a peace envoy, continuing his social activities immensely towards Education, peace and equality, and poverty. His Highness has been a beacon of light for people that are battling poverty and the world's marginalized people through his group of charity services.

“The wish for healing has always been half of health.” Lucius Annaeus Seneca

By providing lifelong services to the poorest of the poor, Kieran Upadrasta became “an icon of

Compassion and Generosity” to people of all religions and none. His TRusts and network of charities help services and brings resources to the people who fight poverty. His trust charity services bring hope and dreams and touch so many lives. His inspirational charity group has dedicated its life entirely to the welfare of the destitute.

“A kind gesture can reach a wound that only compassion can heal.” – Steve Maraboli.

Apart from being a social activist, Kieran Upadrasta is an emerging peace philosopher who devoted his life to the reason for peace and harmony and promoted forebearers of peace, serenity, and harmony among every individual of the world. As an activist, he gives services to the international peace movement. His Trusts and charities are making tireless efforts to achieve peace and international collaboration through the charities that he has set up.

His Highness Kieran Upadrasta dedicated his charities, trust spreading awareness and providing free Education, food, and clothing to poor children. The trust focuses on women's empowerment and arranges charity services to offer them free education and employment opportunities to empower them.

“Kindness begins with the understanding that we all struggle.” – Charles Glassman.

Including more, his life is that anybody doesn't need to be rich with money to be generous, only with adoration and a sense of care, humankind, peace, and equity.
