

PerformanceG2 to Present at WWDVC 2023 - Agile Building of Information Marts Using Data Vault 2.0

Learn Various Techniques and Approaches to Designing, Building and Populating the Necessary Semantic Information Model with PerformanceG2's Bruce McCartney

ST. ALBANS, VERMONT, UNITED STATES, February 27, 2023 /EINPresswire.com/ -- [PerformanceG2](#) has announced its sponsorship of WWDVC 2023 and the presentation of an Agile Approach to building your Information Marts. The session takes a comprehensive approach to Data Vault 2.0 and explains how to leverage it for maximum business impact.

Instructor and Data Vault expert [Bruce McCartney](#) will host a presentation including topics:

Data Vault 2.0 as a System of Business Intelligence; Intentionality of the System, defining the approach and form of informing, focusing on the "so that," creating the STORY; alternative approaches to creating information (BEAM, Kimball DWH Toolkit, RAW Data Mart, Unified Star, Knowledge Graph, Ontology, Data Hub, etc.); and examples and Pro/Cons of each approach.
