

Lokko Labs Creates Wraith Docs, A New AI-Assistant for Google Docs

Make better content faster with Wraith Docs, a Google Docs assistant. Add any text you want, improve SEO, paraphrase, expand, and simplify text in a click.

NEW YORK CITY, NEW YORK, USA, March 1, 2023 /EINPresswire.com/ -- Lokko Labs LLC introduces [Wraith Docs](#), a powerful AI-writing assistant for Google Docs designed to help users create high-quality content with ease. Inspired by the growing number of AI-generated texts that require further editing, Wraith Docs is a free add-on that features advanced writing and SEO tools.

Add any keyword you want to a highlighted passage.

"After seeing so much AI-generated text that still requires tons of human editing to be considered high quality, I wanted a way to quickly and easily refine and enhance content," said Bob Swinson, founder of boutique software company Lokko Labs LLC. "With Wraith Docs, we're offering a new level of AI-powered assistance that can help users create high-quality content with ease."

“

Wraith Docs is a game-changer for anyone who writes in Google Docs. With advanced writing tools and powerful AI capabilities, it's a must-have tool for anyone who wants to write better and faster.”

Bob Swinson

With a range of features designed to enhance writing and improve SEO, Wraith Docs allows users to easily expand upon ideas, simplify text, paraphrase content, and sprinkle in target keywords. The AI writing assistant can even generate content based on user prompts or add text based

on what's already in the document. These features make it ideal for anyone who needs to create high-quality content quickly and easily.

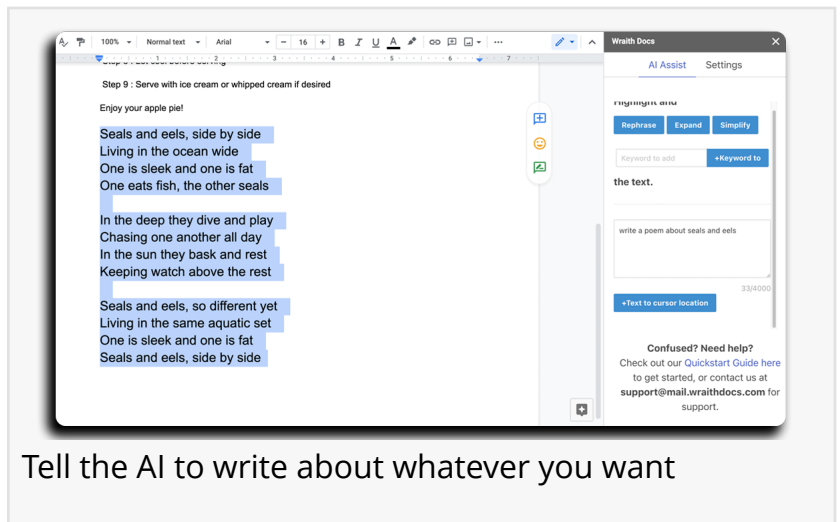

Wraith Docs is currently in open beta testing and is currently available for free. Interested users can install the [add-on in Google Docs](#) and start using it right away. Users can also visit the Wraith Docs blog for the [latest updates](#) on new features and enhancements.

About Lokko Labs LLC: Lokko Labs LLC is a leading developer of innovative digital tools, founded by a seasoned engineer with 8 years of professional as well as tech and blockchain entrepreneurship experience.
