Chicago divorce professional to host private 30-minute consultations

CHICAGO, ILLINOIS, UNITED STATES, February 27, 2023 /EINPresswire.com/ -- Chicago family law attorney Patrick Markey is participating in the second annual Divorce With Respect Week March 6-10. Markey will be part of a nationwide effort to build awareness of [Collaborative Divorce](#) as a better way to untie the knot. Divorce With Respect Week is an opportunity for Illinois residents with questions about divorce to meet with an attorney, divorce coach, mental health professional or financial specialist to learn more about their divorce options at no cost.

"I'm excited to be a part of Divorce With Respect Week 2023 and provide free divorce consultations to individuals who may be considering a divorce," Patrick Markey said. "My goal is to promote the collaborative process as an alternative to litigated divorce while helping clients jointly settle their case and prevent an expensive and emotional court battle."

Collaborative Divorce is a more peaceful process for resolving family law disputes where two parties work with lawyers, mental health professionals and financial coaches to craft their own divorce agreements that are based on their individual needs.
