

EDRM Announces LIGL as Newest Trusted Partner

MINNEAPOLIS, MN, USA, February 28, 2023 /EINPresswire.com/ -- Setting the global standards for e-discovery, the Electronic Discovery Reference Model (EDRM) is pleased to announce [LIGL](#), a global provider of a cloud-based, evidence lifecycle management platform, has joined EDRM as a Guardian Trusted Partner.

As organizations continue to rely on electronic data, eDiscovery technology and services will play a central role in helping them manage their legal and compliance obligations. Robust e-discovery technology, supported by expertise and services, helps organizations respond to litigation, compliance and investigation demands. In a new era of remote work at scale, organizations need to securely manage information, protect confidential and privileged access and collaborate effectively to be efficient and productive and adhere to the increasing complex demands of security and data privacy frameworks.

“

...we are enthusiastic about working together with EDRM to support the ever-evolving new era of modern technology, fueled by automation, artificial intelligence, and machine learning,”

Anil Kona, CEO of LIGL
