

Debut YA Science Fiction Novel, Escaping the Dashia from Rebecca Inch-Partridge, Releases March 14, 2023

The first book in "The Paraxous Star Cluster" series invites readers to root for the main character, young telepath Twyla.

AUBURN, CA, UNITED STATES, February 28, 2023 /EINPresswire.com/ -- Rebecca Inch-Partridge's first novel, *Escaping the Dashia*, is a meticulously crafted, immersive young adult (YA) science fiction (SF) novel that explores the complexities of family, betrayal, and the painful feelings of being an outsider. The first installment of the epic "The Paraxous Star Cluster" series, the book releases March 14, 2023, from Black Rose Publishing.

Escaping the Dashia follows young telepath Twyla, who is abducted by her mother and forced into her family's criminal enterprise. Now, Twyla must navigate the blurred lines between right and wrong, good and evil, and the precarious position her family has put her in. Rebecca Inch-Partridge, a longtime SF fan, writer and speaker at science fiction conventions, uses her world-building skills to craft a richly detailed universe.

Escaping the Dashia

"I believe science fiction and fantasy has the power to challenge us and to inspire change," says Inch-Partridge. "With *Escaping the Dashia*, I hope to engage readers in a thrilling adventure while exploring important issues such as family dynamics, morality, and justice, all within a universe

that I hope readers will enjoy exploring as much as I enjoyed creating it."
