ROSLYN HARBOR, NY, USA, March 6, 2023 /EINPresswire.com/ --

Internationally recognized photographer David Halperin (dba Media Workshop) is pleased to announce that two of his online photo galleries hosted in the UK and US have now welcomed a total of more than 175,000 visitors.

According to Halperin, "My [Picfair](https://davidhalperin.picfair.com) store (<https://davidhalperin.picfair.com>) is the more general and somewhat more aligned to publishers licensing images for commercial or advertising use,

while the [Fine Art America](https://fineartamerica.com/profiles/david-halperin/shop) store (<https://fineartamerica.com/profiles/david-halperin/shop>) is a bit more oriented to photography as an art, and also offers a wide range of products from mugs to yoga mats printed with the image of your choice."
