SYNOPSIS:

When an in-home caregiver assigned to an elderly patient mysteriously vanishes, Dale is quickly sent as a replacement nurse. She rushes to the remote seaside home, only to find herself trapped in the middle of chaos, forced to deal with an unruly patient, mysterious neighbors, and terrifying supernatural occurrences that seem to plague the home. Is the house haunted? Or is something even more nefarious to blame? As the walls close in, unsure who she can trust, Dale fears for her life and that of her patient. But can we trust Dale? The Ruse is a complex, challenging story that will keep audiences guessing whodunnit until the final frame.
