LOUISVILLE COMMUNITY

To give back to the local communities who give so much to us each spring and summer, we are partnering with two local charities: A Place to Sleep, which provides beds for children who do not have one, and Home of the Innocents which provides residential care for children who have been abused, neglected, or abandoned. New bedding supplies (pillows, pillowcases, sheets, blankets, and comforters primarily twin-sized and toddler/crib sized) will be collected for A Place to Sleep and necessary personal care items for Home of the Innocents at the Executive Committee table. The items will be donated to the organizations at the end of the meet. There will also be a jar for cash donations and checks as well.
