DUBAI, UNITED ARAB EMIRATES, March 3, 2023 /EINPresswire.com/ -- Winners to Be Celebrated During a Gala Event on 18 March at the Waldorf-Astoria Hotel in Ras Al Khaimah, United Arab Emirates

ACCELIGIZE today was named the winner of BRONZE Stevie® Award in the “B2B Marketing Database Technology Management” category in the fourth annual Middle East & North Africa Stevie Awards, sponsored by the RAK Chamber of Commerce & Industry.

The Middle East & North Africa Stevie Awards are the only business awards program to recognize innovation in the workplace in 18 nations in the Middle East and North Africa. The Stevie Awards are widely considered to be the world's premier business awards, conferring recognition for achievement in programs such as The International Business Awards® for 20 years.

Nicknamed the Stevies for the Greek word for “crowned,” the awards will be presented to winners during a gala event on 18 March at the Waldorf-Astoria Hotel in Ras Al Khaimah, United Arab Emirates. Acceligize’s executive representatives will be attending the event to accept the award and be a part of the ceremony.

More than 800 nominations from organizations across the Middle East and North Africa were considered this year in categories such as Award for Excellence in Innovation in Products & Services, Award for Innovative Management, and Award for Innovation in Corporate Websites, among many others. ACCELIGIZE won in the B2B Marketing Database Technology Management category.

“This award validates the fact that Acceligize is creative in its data management and marketing

approach, which are key elements for a demand generation agency. This Stevie® Award for Accelgize is also a testament to the collective dedication an organization puts in to moving forward in the right direction for the betterment of its customers.” said Rahim Khetani, Director of Accelgize.

Gold, Silver, and Bronze Stevie Award winners were determined by the average scores of more than 150 executives around the world acting as judges on six juries.

“We are delighted to recognize the achievements of such a diverse group of organizations across the MENA region in the 2023 edition of the Middle East & North Africa Stevie Awards,” said Stevie Awards President Maggie Miller. “We look forward to celebrating Stevie winners during our gala event on 18 March in Ras Al Khaimah, United Arab Emirates. The quality of nominations received this year was exceptional. The program has grown every year, showing the vast amount of innovation in the MENA region.”
