*"Promise only what you can deliver. Then deliver more than you promise," and that's exactly what Paw & Glory does.*

LONDON , UNITED KINGDOM, March 3, 2023 /EINPresswire.com/ -- Lucy Hadi is a force to be reckoned with in the [pet portrait](#) industry. She's the founder of Paw & Glory, a company that started as a small business but grew into an international brand.

Lucy's passion for art and design, combined with her love for pets, inspired her to create a unique business that touched the hearts of thousands of pet owners around the world.

## The Accidental Beginning: Turning Grief into Joy

It all began when Lucy's mother lost her beloved pet, Molly. Lucy's mom was devastated, and she confided in her daughter that she always thought Molly had the temperament of a nurse.

Lucy, being skilled in Photoshop, decided to create a portrait of Molly dressed as a nurse.

When her mother saw the portrait, she was filled with joy and gratitude, and it inspired Lucy to create similar portraits for other pet owners.
