

State Farm and NO MORE Team for the “NO MORE Week 5K Walk/Run” to Help End Domestic & Sexual Violence

Virtual 5K Race Held During NO MORE Week, March 5th-12th, to Spotlight Epidemic of Violence that 1 in 3 Women and 1 in 6 Men Experience

NEW YORK, NEW YORK, USA, March 3, 2023 /EINPresswire.com/ -- State Farm is once again teaming up with The NO MORE Foundation for the 3rd annual “NO MORE Week Virtual 5k Walk/Run” fundraiser. All State Farm employees, as well as the general public, are being invited to participate in order to support the critical work of NO MORE, a nonprofit dedicated to ending domestic violence and sexual assault.

The Virtual 5k will be held during NO MORE Week -- March 5th to March 12th -- an annual event when NO MORE and its chapters and allies shine a spotlight on the importance of stopping and preventing domestic and sexual violence through special activities and initiatives. This year, NO MORE is also commemorating its 10th anniversary and calling on people around the country to increase awareness and action to address the epidemic of violence that 1 in 3 women and 1 in 6 men experience in their lifetimes.

In the United States, an average of 24 people per minute are victims of rape, physical violence or stalking by an intimate partner — more than 12 million women and men over the course of a single year. According to the World Health Organization, globally, as many as 38% of all murders of women are committed by intimate partners. Domestic and sexual violence were already at epidemic levels before COVID-19, but the pandemic exacerbated the problem and, in many places, forced a reduction in already thinly-stretched resources to address it.
